SERVICE REQUEST FORM

Section 4 : General Information and Requirements

- Must any additional (or new) facilities be installed by any party, for receipt of gas by TGI or for delivery either to direct or indirect customers of the Shipper? If so, please specify in detail:

- Please note that the Gas quality shall comply with TGI's Gas Quality Specifications, as indicated in the attachment to the Service Request Form.

- In order to assess the Customer's credit standing, kindly attach copies of the following documents:

- Company Annual Report (most recent two years)
- Audited Financial Statement (most recent two years)
- Current Audited/Unaudited Financial Statement

Please be advised that Prospective Shipper who fail to meet TGI Creditworthiness Requirements will be asked to provide sufficient credit security.

- All Information submitted by Shipper's request for service shall be comprehensive and true, in order for TGI to evaluate the Service Request Form as technically and economically whether TGI is able to fulfill this request, and whether this request determined to be compatible with current operating condition in TGI system.

Disclaimer:

This Service Request Form is not a confirmation or commitment for allocation of a portion of the pipeline capacity under TGI Pipeline System ("Reserved Capacity"). The Reserved Capacity shall be booked and allocated to Shipper upon signing and effectiveness of Firm Gas Transportation Agreement. For Interruptible Gas Transportation Agreement, there is no Reserved Capacity. Please fill in this Service Request Form, properly, accurately and validly.
